My childhood home had an attic. In the middle bedroom of our modest three-bedroom bungalow, a room shared by my younger sister and brother, the attic stairs occupied 95 percent of the room’s already-small closet. The very narrow attic stairs (aka shoe storage) led to the trap door, which needed to be pushed vertical in order to enter the attic. Running down the center, from one end of the house to the other, the narrow floor boards provided the only safe space to walk and stand erect to safely reach the treasures or memorabilia on either side.

While we do not have an attic on campus, we do have the University Archives, located in the Keiss Library and Learning Commons and online* where you will find a trove of materials that tells the story of Gwynedd Mercy University. The Archives include photos, diaries, reports galore, oral histories, memorabilia (e.g., pennants, Commencement Programs, publications, plaques, pins, etc.) and so much more. The University’s true treasures, however, are not in the Archives, but in the personal and professional lives and careers of our students, alumni, faculty, staff, friends and benefactors.

As you read through this President’s Annual Report, like me, you can learn from some of our students and alumni about what it means to be a Distinctive Mercy Graduate. While they are rightfully very proud of their academic and professional accomplishments, they also know that their lives have been mercy-influenced “for good.” Like the good witch, Glinda, sings in “Wicked”:

I’ve heard it said
That people come into our lives for a reason
Bringing something we must learn
And we are led
To those who help us most to grow
If we let them
And we help them in return
Well, I don’t know if I believe that’s true
But I know I’m who I am today
Because I knew you...

Over the years, I have come to know that my real treasures were not stored in my childhood attic, nor in the University Archives, but in the “people [who] come into our lives for a reason.” This report highlights so much good that has been gifted to Gwynedd Mercy University because of your generosity and your trust in our enduring commitment to #MakeMercyReal. On behalf of the entire University community, please accept my heartfelt gratitude for your ongoing, valued support.

Kathleen Owens, PhD
President

Students traveling to Ireland with GMercyU will be able to take advantage of a new scholarship, thanks to the Friendly Sons of St. Patrick.

The Friendly Sons of St. Patrick are devoted to promoting Irish culture and education, and to providing aid through scholarship and benevolence. Thus, The Friendly Sons of St. Patrick Endowed Scholarship Fund in Honor of the Sisters of Mercy will be awarded annually to students traveling to Dublin for academic or service programs through the University.

The recipients must be full-time undergraduate students, and will be required to write about their experience in Ireland.

The University’s relationship with the Friendly Sons of St. Patrick goes back more than 25 years; in 1990, the group presented the University with a facsimile of The Book of Kells, which is housed in the Keiss Library and Learning Commons. Only 500 full-color, first-recreation editions were distributed in the United States.

The Book of Kells is a hand-illuminated presentation of the Gospels of Matthew, Mark, Luke and John that was completed around 800 AD. It is regarded as one of the most beautiful manuscripts in the world. It has been housed at Trinity College in Dublin, Ireland since the 17th century.

The Sisters of Mercy were founded by Catherine McAuley in Dublin, Ireland. GMercyU students, staff and faculty regularly embark on pilgrimages to the Mercy International Centre on Baggot Street to learn more about the foundress and her dedication to Dublin’s homeless population.
Compassion and service lie at the heart of Gwynedd Mercy University’s mission and are the values that have stuck with Jennifer Lorine, DO ’06 through her career. An active member on campus, Dr. Lorine learned the importance of serving others which she now carries forward as a physician and a clinical instructor mentoring young residents and medical students.

Dr. Lorine was the recipient of the Presidential Scholarship during her time at GMercyU.

Dr. Lorine started her career as an Osteopathic Physician after graduating from the Philadelphia College of Osteopathic Medicine in 2010. She opened her private practice in 2014 in Blue Bell, Pa. where she focuses on helping each patient achieve optimal health and pain relief without the use of narcotic medications. Dr. Lorine is involved in numerous organizations as well as serves as a clinical instructor at Philadelphia College of Osteopathic Medicine, and lectures at area hospitals and educational programs.

“As a student, Jen was an outstanding member of the GMercyU community. She was talented and determined and quietly self-confident, never arrogant or unrealistic about her abilities and her aspirations. We had no doubt that she would become a competent and compassionate physician — and she has.”

— Professor Felicia Barbieri, PhD Chemistry

“The kindness of the faculty and natural beauty of the campus initially attracted me to GMercyU. Through hard work and the support and encouragement of the faculty and campus community, I was able to achieve the initial steps of my goal to become a physician.”

— Jennifer Lorine, DO
As part of the new fundraising initiative *Good Today, Better Tomorrow*, which focuses on strengthening academic, student life and scholarship programs, G MercyU has begun planning for a new baseball and softball complex.

The Frank O. Genuardi Foundation’s gift of one million dollars has kick-started the project that will transform G MercyU’s campus and athletic program. Former Trustee Phil Albright and his wife Barbara also donated $100,000 to sponsor the home dugout on the baseball field. Construction will begin after the remaining $1.1 million is raised.

“The new baseball and softball fields will be a huge asset to not only our teams but the entire University,” Director of Athletics Keith Mondillo said. “They will allow our coaches to continue the recruitment of quality student-athletes into our baseball and softball programs. We’re looking forward to embarking on this new era in Griffin athletics.”

Frank O. Genuardi Legends Fields will be named after one of G MercyU’s longest and most beloved benefactors. Frank Genuardi’s legacy is already evident on campus with the Valie Genuardi Hobbit House, named after his late wife, sitting at the center. This academic lab school not only provides quality pre-school education to our youngest learners, but gives G MercyU students a hands-on opportunity right on campus to practice their teaching skills.

Frank, who passed away in February 2015, was more than just a successful businessman; he was a devoted family man who used his resources to help the community.

"With all of my dad’s projects with the University, he always wanted to make sure they would help attract students," Frank’s son Larry Genuardi said. "These fields will certainly do that."

In the early 1990s, Frank, then 75 years old, participated in a fantasy baseball camp with some of baseball’s best professional players. One of Frank’s most treasured memories was hitting into a double-play off a pitch that was thrown by Hall-of-Fame pitcher Catfish Hunter. The ball was hit back to Hunter who threw it to fellow Hall-of-Famers Brooks Robinson on to Willie Stargell for the double-play. Frank didn’t consider himself much of an athlete but he took pride in hitting a baseball off one of the game’s biggest legends.

Frank O. Genuardi Legends Fields will be a tribute to not just a fond memory, but a lifetime of generosity.

Annual Fund Gifts
Make a Lasting Impact

The Annual Fund is one of Gwynedd Mercy University’s most important sources of support that can be applied to an area of essential need, including student scholarships, operational expenses and academic programming.

For today’s students, receiving private support is more critical than ever to achieving academic and career goals. Scholarships remain one of the most significant resources we offer our students. Last year, Gwynedd Mercy University awarded $17.5 million in scholarships, with approximately 99% of eligible students receiving some type of institutional aid. Your Annual Fund gift helped to meet that need and reinforces our commitment to provide students with an affordable, high-quality, Catholic education that upholds the Mercy mission of service to others.

In addition to student scholarships, your Annual Fund contributions benefit the entire Gwynedd Mercy University community. Campus enhancements over the past year included building a new entrance wall, replacing a portion of The Griffin Complex roof, painting the Admissions House, and updating the fire alarm system in Campbell Hall and the Service Center.

Every gift, no matter what the size, has the potential to make a difference in the lives of our students and positively impacts the future of our University. Thank you for your continued generosity and support of Gwynedd Mercy University. For more information, please contact Director of Annual Giving Mia McGlynn at mcglynn.m@gmercyu.edu or 215-641-5568.

“I, [name], of [city, state, zip], give, devise and bequeath to Gwynedd Mercy University [written amount or percentage of the estate or description of property] for its unrestricted use and purpose.”

This simple sentence added to your will allows you to make a meaningful impact on our students for years to come. Please consider joining the Mother Mary Bernard Graham Society by designating GMercyU as a beneficiary to your estate. For more information, visit gmercyu.edu/giving-gmercyu or contact Jill Dowdow.j@gmercyu.edu or 215-542-4661.
WHAT IS A

Distinctive Mercy Graduate?

Gwynedd Mercy University prides itself on producing Distinctive Mercy Graduates. They go on to become more than just leaders in their fields. They are leaders with values who know what they stand for and who live by their personal principles every day.
“We can go out in the world and impact people’s lives in a positive way. It goes above and beyond just being a good teacher. When we leave here, we are representing every aspect of what this school has been founded on.”
– James Bender ’16, School of Education

“A Distinctive Mercy Graduate is an individual who possesses a strong sense of community and wants to share their positive experiences with others. GMercyU students have a heart and want to help others reach their potential in all aspects of their lives — personally, scholastically, and professionally.”
– Joanne Henkels ’10/’12, School of Graduate and Professional Studies

“GMercyU didn’t just teach me to be a better nurse, it taught me how to be a better person. It made me a more caring and confident person to try new things I normally wouldn’t try.”
– Olivia Bradford ’16, Frances M. Maguire School of Nursing and Health Professions

“It’s a unique thing for each person. It has a lot to do with recognizing your position in the bigger picture. It’s all about figuring out where you fit and how you can use your place in the world to make it better.”
– Sean Welch ’16, School of Arts and Sciences

“I think a Distinctive Mercy Graduate is one that not only works for themselves but also goes out of their way to help others in need. It means not only leaving here with a degree but also having the ability to care for others.”
– Jerome McArdle ’16, School of Business

“I think that a Distinctive Mercy Graduate is a graduate that encompasses the mission and core values of GMercyU in all that they do. It’s someone who takes leadership, a passion for community, and value of integrity into their careers and spreads that knowledge and compassion to all that they come in contact with. A Distinctive Mercy Graduate is proud of where they came from.”
– Nikki Zaffiri-Boland ’11, School of Arts and Sciences
A few years back, Phil Albright was able to join two of his passions: sports and education. Gwynedd Mercy University convened a task force to examine its athletic department, and Phil delighted at the opportunity to be part of something great.

“I think sports are a really integral part of education. You learn so much from sports; you learn how to win; you learn how to lose. Sports are a great vehicle for education,” Albright said.

In fact, his own desire to work with nonprofit organizations began when his son joined a little league baseball team. He realized how important it is for people of means to support organizations that, in turn, support communities.

“If you are fortunate enough to have some time and talent to offer, I think those organizations are worthy of support,” he said.

Later, his grandson played soccer in college, sometimes competing against Gwynedd Mercy University. GMercyU is close to the Albrights’ home, so when his grandson played at GMercyU, Albright would come to watch. When an opportunity arose to support the university, Phil jumped at the chance to make a difference in the lives of GMercyU students.

“Education is so important that I was really glad when they asked me to serve on the Board of Trustees,” Albright said. “You can see the results of your efforts when you have a small school like that.”

Albright and his wife Barbara, who have been married for more than 60 years, were inducted into the Founders Society in 2014 for their continued support of the university. He said he’s thrilled at the chance to work with young people.

“I’m a great believer in education, and I always wanted to have something to do with an institution of higher learning. Gwynedd Mercy University is a great school. It’s a small school, and it’s almost like family,” he said.
For many Gwynedd Mercy University students, a scholarship opens the door to a lifetime of possibilities. With the support of GMercyU’s generous donors, Griffins are able to pursue their passions and fulfill their dreams. Below are some excerpts from various thank you letters written by GMercyU scholarship recipients.

“To be grateful is an understatement of how I feel about receiving this scholarship. It serves as a step closer to a brighter future.”
– Class of 2017

“I am a first-generation college student. Your generosity has enabled me to move forward with school and has lifted a tremendous burden from my family.”
– Class of 2018

“I work three jobs to obtain this wonderful education offered by GMercyU. This scholarship will allow me to work less and focus more on my academic goals, which have always been my number one priority.”
– Class of 2017

“This scholarship is enabling me to concentrate on what is important to me right now and the rest of my life: my education.”
– Class of 2017

“Coming from a family of six siblings, my parents found it increasingly difficult to send us all to college. Scholarships like this one have made the payments more bearable.”
– Class of 2016

“I thank you for your confidence in me and your willingness to help me achieve my goals.”
– Class of 2018

“Thank you for helping to allow me to achieve my dream! I can’t wait to start practicing as a nurse to ‘pay it forward!’”
– Class of 2018

“Financial assistance was the deciding factor on where I chose to study and is still a major part of making my college experience easier.”
– Class of 2017

Chip and Julie Behr, pictured here with President Kathleen Owens, PhD, were inducted into the Founder’s Society in March 2016.
Alumnae from the Classes of 1965 and 1990 reunited to celebrate their 50th and 25th Reunion on Oct. 18, 2015.
You are invited to inspire the spirit of giving in others by becoming a member of the Catherine McAuley Society today with an annual contribution of $1,000 or more.

Members of the Society provide vital support in the tradition of Catherine McAuley; their gifts directly fulfill critical tuition needs of students and set an important philanthropic example throughout the Gwynedd Mercy University community. Society members are also extended invitations to gatherings throughout the year with fellow leadership supporters.

For more information contact Mia McGlynn, director of annual giving at mcglynn.m@gmercyu.edu or 215-641-5568.
